

Year 2 Home Learning 01.12.2017

Literacy

In Literacy next week we will be looking at instructions. I have found instructions of how to make a cup of tea but they are jumbled up. Please put them in the correct order by numbering each step.

Enjoy your cup of tea.

Add some sugar using a spoon and stir.

Pour the boiling water into the cup.

Put in the tea-bag.

Take out the tea-bag with a spoon.

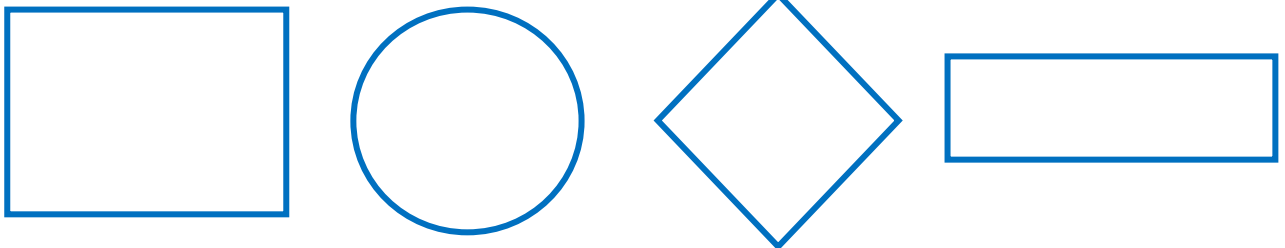

Add a splash of milk and give it one final stir.

Get a cup from the cupboard.

Numeracy

1. Go to Google and type in Hit the button. Click on this link and then click on times tables practise. This week's focus is the **3 times table**. We will be having a test on Monday so make sure you practise lots over the weekend!
2. Please log in to your mymaths account and complete the provided activity.
3. Complete the fraction problems below and write the answers in your books.

Split these shapes into quarters and shade $\frac{3}{4}$ of each of them. **Use a ruler.**

Reading

Make sure you are reading at least 4 times a week at home! Reading Records are due in on a Friday.

Maidstone Museum 19th December

If there are any parent helpers who are able to come on the Maidstone Museum trip please speak to your class teacher.

Christmas Play Costumes

Please make sure you have your costume for the Christmas play ready for Monday 4th December. If you are still unsure about your costume speak to your class teacher.
