

# Year 5/6 Home Learning

Next term, our topic is 'AD 900' which focuses on the ancient Mayan civilization. Your task is to create either a Mayan mask, or head dress, as pictured below.

If you are not able to create either the mask or the head dress, as part of the topic we will also look at AD 900 Britain (The Vikings and Anglo-Saxons!), so you may research and present learning of your choice, on this topic.

Everyone must produce at least one of these pieces of home learning, as they will be shared and displayed.

Have a fantastic Christmas!
