

Holly Class learning:

Although school is not open to students, we still believe that it is important for the children to be learning. Therefore, there are a variety of activities for you to complete with your child whilst the school is closed. The child that is the most creative or completes the best learning whilst at home will receive a prize once the school reopens. Please bring any learning you complete into school.

1. Read their reading book – if they have read this more than once then read other books you have at home. How many can you read?
2. Write a book review of your favourite book.
3. Practise your number bonds to 10, 20 and all the numbers in between.
4. Write some instructions about how to build a snowman – can a sibling or a grown up follow these instructions?
5. Play OBB or BOB on phonics play :
