Adult Education

Start your New Year in a healthy way! On Friday 13th January at 2:15pm, we have a visitor from the Community Health Team who will be leading a session for parents and carers about encouraging our children to develop a healthy life style and healthy eating habits. All welcome. Our next Adult Education course, 'Keeping Up with the Children in Maths' is starting on Monday 16th January at 9:30. This free 4 week course is for parents and carers of children of all ages who would like some extra ideas to support their child's learning in maths. It will cover the methods of calculation taught in school as well as expectations of different year groups and ideas to help learning times tables. Places are limited so see Mrs Loudon to sign up.

Christmas Fair

Our Christmas Fair last Saturday was a great success and thanks to your support we managed to raise over £500. Thank you to all those who came along on the day, helped with running stalls and donated items. We hope you all enjoyed it!

Demelza Collections

Thank you to everyone who donated after the performances this year. We raised £97.32
