Can all parents be aware that when your child returns from an absence we require a written note as to why they were absent, this is in addition to calling the school on the day.

## **Hawthorn class**

As Park Way continues to be a popular choice of school for parents we have admitted more children. At present we have a lot of children joining us in Key Stage One and have decided to form a new class, Hawthorn. Children will not be moving classes but the teaching team will work together and the new teacher, Mrs Longley will provide some additional support in making smaller focussed learning groups.

Please be aware that if the school is not informed on the day and every day of a pupil being absent this will result in the pupil being marked on our register system as unauthorised until we receive medical evidence to support and a letter from the parent/carer when the child returns.

Please can we remind you that there is no smoking at the school gates.

### **Reminder!**

The school will be closed on Monday 20<sup>th</sup> February for a staff development day

### **Internet Safety**

Today the Year 5 /6 classes have had a visit from our local PCSO to discuss Internet Safety.

The children have been reminded that they need to take responsibility for their own actions online and that once something has been sent onto the internet it can never be taken back. One great piece of advice that she gave was to keep all internet devices in shared rooms of the house and NOT in bedrooms!

### **Adult Education Course.**

Starting on Monday 27th February from 10am -12, we will be holding a 5 week course on Managing Children's Behaviour. This free and informal course will involve lots of discussion and time to share thoughts and ideas around issues such as communication, setting boundaries and understanding causes of behaviour. Places are limited so please see Mrs Loudon to sign up as soon as possible.
