## **Kingswood Residential Trip**

On one of the hottest weekends so far 45 children and 5 members of staff headed to Kingswood for this years residential trip. And what a weekend it was! With the children taking on physical challenges never attempted before - the leap of faith, abseiling, the 3G swing and indoor wall climbing to name but a few. Coupled with the challenges of archery, fencing, team building and doing an obstacle course blinded folded. But the children weren't put off. We saw some real acts of heroism as children battled with fears but worked through to achieve some amazing moments. With few behaviour issues this weekend was a fantastic achievement for the children and the staff who attended had a amazing time too. We hope all the children took away much more than they came with (and some of those cases were big!!) and will remember for many years all they achieved in such a short time.
